## ALBANY RED CROSS HELPS BERKELEY SWELL QUOTA

Albany residential and business areas exceeded their quotas helping Berkeley's American Red Cross fund drive for \$85,000 over the top by several thousand dollars.

Victory in the 1949 campaign of the Albany-Berkeley-Kennington area was announced by Chairman A. J. Muirhead, at the final report luncheon held March 18 at Trinity Methodist church.

Harold W. Olson, vice-chairman of the fund drive and Albany non-residential chairman, reported collection of \$1876 from his group of quota of \$1150. Mrs. Delsa Albany residential chairman reported donation of \$3179 and quota of \$3050. With late contributions still swelling the total, Albany's fund this week reached \$18,770.

Albany's non-residential group led by Olson was distinguished by one of two occupational divisions to surpass its quota after 10 days of the campaign. Only one of the 19 residential areas had reached their goals before Albany's success was reported on March 15 by Mrs. Walton.

tribute was paid at the final report meeting by C. A. Bullwinkel, president of the chapter, to the men and women whose help and support carried the drive to its victorious conclusion. Special thanks were extended to Chairman Muirhead, Vice-chairman Olson, Mrs. M. E. Gilchrist, residential chairman.

## School Board Names Meads To Vacancy

Dr. Philip F. Meads, Senior Research Chemist for the California Hawaiian Sugar Refining Corp., has been appointed to the Albany Board of Education, according to Mrs. Delsa Walton, president. Meads will succeed Dr. Robert G. Larsen, who is moving to Lafayette.

In receiving the new appointment, Meads said, "I am very proud to accept the appointment to the Albany Board of Education. I am vitally interested in children and in school problems."

Meads added that he would devote his efforts toward obtaining and maintaining the best educational opportunities for the children of Albany that are commensurate with sound economic basis.

Dr. Meads has resided in Albany for the past four years and in the East Bay all his life. He received both his B.S. and his Ph.D. degrees from University of California, where he served as instructor in the chemistry department from 1932 to 1935. He was a mathematics instructor in Albany Evening High School from 1945 to 1947.

Dr. Larsen, a member of the board since 1942, is leaving soon for a six months' business trip to England and other parts of Europe for the Shell Development Co. "It is with regret that I resign from the Board. I have greatly enjoyed my association with the other members and with the Albany schools. I am taking this opportunity to say how proud I am of our schools and to give credit to Dr. Bryan and his staff for their excellent work."

## Area PTA Council Plans Convention In Alameda Mon.

The 22nd Annual Convention Meeting of the 16th District, California Congress of Parents and Teachers, will be held on Monday, March 28 at the Alameda High School in Alameda. Registration will begin at 9:30 a. m. while the meeting will convene at 10 o'clock in the auditorium with Mrs. Ray R. Smith presiding.

Greetings to the 16th District will be extended by Dr. Wm. G. Paden, Superintendent of Schools; J. M. Bryan, principal of Alameda High School; Mayor Winthrop Branscheid of Alameda; Mrs. L. H. Cavannah, president of the Alameda Council P.T.A., and Mrs. M. W. Stanhope, president of Alameda High P.T.A.

Outstanding in importance to the increased membership of the 16th District will be the election of officers for the ensuing two years. These officers were nominated by a committee consisting of Council Representatives. The following officers were nominated from the Albany-Berkeley Council: Mrs. J. A. Martin, first vice-president; Mrs. V. A. Clemens, fourth vice-president; Dr. Edna W. Bailey, honorary vice-president; and Mrs. J. B. Dodd, treasurer.

Music will be offered by the Alameda High School Girl's Glee Club, and arrangements have been made to have luncheon served at the First Methodist Church, across the street from the school.

Easter Seals Mailed To Local Residents

Thousands of sheets of Easter Seals were distributed through the mails last week marking the opening of the Handicapped and Crippled Children's Guild's annual fund drive. The drive will continue through Easter Sunday, April 17.

WILLIAM PRIMROSE, Violist

## Violist Final Artist for Community Concert Season

Violist William Primrose, the musician who popularized the viola as a solo concert instrument, will present the final concert of the series sponsored by the Albany-El Cerrito Community Concert Association at the Albany High School Auditorium on Saturday March 26, at 8:15 p. m.

Receiving world-wide recognition, the concert association is very elated to have an artist of his established reputation as soloist. His recital repertoire is colorful and varied.

Primrose, born in Glasgow, Scotland, made the violin, not the viola his first instrument. At the age of 10 he made a first public appearance in the Mendelssohn Violin Concerto. At 16 his success was so phenomenal that the City of London financed his musical education. In 1923 Primrose made his London debut, playing with the Royal Albert Hall Orchestra.

All this time, Primrose nourished a passion for the violin's bigger contralto sister—the viola. The beautiful mellow tone of the instrument attracted him and in secret he would try out his father's Amati viola (the very one Primrose has today) which was supposedly out of reach.

In 1937 the new NBC Symphony was being formed in New York by Toscanini. The solo instrumentalists were hand-picked and they immediately wired Primrose to come to New York to be Toscanini's chief viola player. Five full, fascinating years followed. In 1924 Primrose left the orchestra to devote all his time to solo work. At last he was doing what he wanted to do most and judging by the public response, what American music lovers wanted him to do most.

A box supper to be given at the Cornell School on April 19, has been announced by Mrs. Earl G. Sporensen, president of Cornell P. T. A. and Mrs. J. E. Ellinger, committee chairman. Dancing and card games will follow the exchange of boxes.

The nominating committee of the Cornell P.T.A. will meet next week to draw up a slate of officers to serve for the coming year.

Members appointed Mesdames Louis Zavattaro, Albert Burns, Mervyn Weiner, and Herbert Minster to serve on the committee, with Principal Milton D. Gordon as the fifth members. A report of the committee will be read at the April meeting of the P.T.A.

Leaders Named for Marin's Low Fifth

In a recent student election in the Marin School's low fifth, Chester Lewis and David Bruce were elected to the offices of president and secretary respectively, according to Vance Teague, teacher.

Other business presented in the regular class meeting was the selection of a special demonstration dance team to help instruct other class rooms in the Spanish dance "Las Chiapanecas" in preparation for the coming Albany Public School Week.

Students selected for the dance team were: Marilyn Billingsley, Pat Gehb, Glenn Hanson, Gale Heath, Chester Lewis, and Harold Morton.

## Albany Boy to Appear With S. F. Symphony

Lloyd Gowen, 16 year old Albany High School senior, will appear as guest soloist on the Young People's Concert at the Opera House in San Francisco on Saturday, March 26. Under the baton of Rudolph Ganz, the San Francisco Symphony will play a varied program, including Lloyd's solo, the Concerto for Flute and Orchestra in G, by Mozart.

Lloyd, the son of Mr. and Mrs. Lloyd Gowen Sr., 821 Cerrito St., has been playing the flute since he was 9, and is now a student of Merrill Jordan of San Francisco. He is a member of the Albany High School Band and Orchestra.

In addition to participating in six recitals and concerts since the first of the year, Lloyd was recently elected President of the Albany Chapter of the Junior Statesmen of America. With financial backing of the Albany Lions Club, he has been elected delegate to the Convention at San Diego, April 1-2.

This is the second consecutive year that Albany High School musicians have been chosen to solo with the San Francisco Symphony. Last year Betty Rae Stanley, 1228 Talbot, played a violin solo. Betty Rae is continuing her studies and recently appeared with Lloyd and other young musicians in a concert at the First Baptist Church.

## Rites Held for John J. Goodare

Funeral services were held on March 14 for John J. Goodare, 71, landscaper for Albany High School, who died at his home, 1034 Evelyn Ave. on March 11 after a long illness.

A native of England, Mr. Goodare was a resident of Albany for 23 years. He was a member of Oak Grove Lodge, A.F. & A.M. No. 215 of Alameda and Ahmes Temple of Oakland.

Mr. Goodare leaves a widow, Maude Goodare; one brother in England; and one niece in San Mateo.

Services were conducted from the Drawing Room Chapel of Ellis-Olson Mortuary under direction of Oak Grove Lodge.

## Codornices Students Use Spanish Customs For Social Project

Under the direction of Mrs. Roseann French, students of the fourth grade at Codornices School are looking forward to a series of guests in conjunction with their Social Studies project on early California, according to Elmer R. Venter, principal.

A Latin-American student from the University of California has volunteered to visit the class in the near future and assist them in building a small Spanish vocabulary. Later this month the owner of the Will-O'-Art Ceramic Studio will visit the Fourth Graders, telling them about pottery making and will exhibit samples of this art.

Miss Margarita Torres, well known Bay Area dancing teacher, exhibited authentic Spanish costumes and demonstrated early Spanish dances to the students on March 17. On Thursday, March 24, Mrs. Carmencita Jimenez, owner of the Casa Del Ranch in El Cerrito, presented information to the class about unusual Spanish foods and the odd-shaped candies.

Other guests were two members of Dick Reinhardt's orchestra, who visited the class on March 21 and demonstrated Spanish instrumental and vocal music for the children.

assisted by Directors Jim Claitor and Gloria Hoffman.

## CHAMBER ASKS DELAY ON COUNCIL'S METER ACTION

Additional opposition to the installation of parking meters was made Monday night in a resolution presented by the Albany Chamber of Commerce at the City Council meeting.

The Chamber asked the Council by letter to delay action on the proposed meter installation until a traffic survey had been made. It asked that the city employ an expert planning consultant to make a "complete and unbiased survey of the problem," not only of the immediate, but of the future parking situation, and that recommendations be made before any action is taken by the council.

## Excerpts From The Avenues

By GENE EPLER

Conversations along the avenues this week centered around the 'ole controversial question of installing parking meters in Albany. The City Council is generally agreed that the only way to find out if the little mechanical gadgets will solve the parking problem is to install them on a trial basis. . . . While on the other hand, the Chamber of Commerce says wait and see what a trained expert will recommend after making a survey. . . . Others say what looks good in the third race at G.G.F?

Frank Gira of Albany, former short-stop for the Hollywood Stars is playing something other than baseball now that he has a new piano. . . . That is, after a few introductory lessons which were included.

Instead of their regular meeting, members of the Albany Exchange Club are planning their annual outing to the Oak's opening home game on April 12. Henry Villa managed to get a book of those hard to get tickets for the members.

As a token of appreciation, the Police and Fire Civil Service Club surprised Capt. Gerald Browne, first past president of the organization, Wednesday evening when they presented him with a table model radio. Kenneth Nickerson made the presentation.

G. D. Gaeta has been selected by his fellow brother of the K. P. Lodge to represent them at the Grand Lodge Convention meeting in Hoberg's, Lake County, on May 16.

While a majority of the local sports lovers are playing the horses at Golden Gate Fields, Kathie Zahn has developed a new interest in the form of Ice Hockey. After attending one of the fast moving contests for the first time, Kathie was sorry she had passed them by all these years.

Joseph Benjamin will start his second tour around Albany on Monday. This time is strictly to recruit new members into the Chamber of Commerce.

If W. W. Dietz offers you a cigar, just accept it and congratulate him on becoming the father of a baby girl. The Albany realtor and his wife, who live at 1000 Ventura, have named the new arrival Dorothy Jean.

Several representatives from Albany Civic Clubs met at the City Hall Wednesday evening to map a few preliminary plans for the big parade and celebration on July 4. Henry Villa was named chairman of the committee in charge of the parade, which is expected to be one of the extravaganzas Albany will long remember.

The request was the latest development in the parking meter question that last week saw a Citizens Committee on Parking resign over the meter issue.

Mayor Frank Hays said he had once asked an expert for an estimated cost for a survey and was quoted a figure of \$900. He said it might be possible to have the work done by the University of California at no cost to the city. He Council agreed to take the Chamber's request under study.

City Attorney George Glavinovich was directed to draw up a resolution allowing the city to proceed with the remodeling of the police station on a day labor basis, with the cost not to exceed \$2000 provided in the budget for the work. Bids previously called for have far exceeded the budget allowance for the work.

Also approved by the council was a resolution officially abandoning Albino St., a block which runs through St. Mary's High School property and which has long been occupied by buildings.

## VFW Auxiliary Names Officers

Those elected to serve were: Mesdames Dorothy Willis, president; Nancy Ham, vice-president; Judy Noe, junior vice-president; Olive Blair, treasurer; Emma Luckfield, chaplain; Evelyn Carroll, conductress; Gordon Coles, guard, and Bertha Scholz, trustee.

## Albany Scouts Plan Court of Honor and Dinner for April 1

Following the dinner will be an interesting movie, which will be shown during the interval preceding the Court of Honor. It is expected that many of the Scouts will be awarded advances, with three attaining the rank of Life Scout.

Scoutmaster Jack Schweizer and 25 Scouts of Troop No. 19 participated in the advancement exercises of Cub Pack No. 3 at Marin School on Friday evening, March 18. They welcomed graduating Cubs Paul Jankey and Philip Means into the Troop.

SPRING GLORY PATTERN

### International Sterling

SPRING GLORY is an outstanding example  
of originality in flatware design... Daringly  
new in conception and excitingly beautiful in  
effect... A young design, a design to evoke mem-  
ories of youth and Spring... The decoration  
flows up one side of the handle, swings over  
gracefully to the other side and unfolds into a  
single flower, boldly carved and emphasized by  
openwork. It is a brilliantly successful use of  
unbalanced ornament in lustrous sterling...

When you Plan Right  
for wiring and light—

you CHANGE "Wish we had"—  
TO "Glad we did!"

- \* WISH your lights would stop blinking  
when the furnace motor kicks on?
- \* WISH your cords for lamps and clocks  
and radios would not be such a tangled  
nuisance?
- \* WISH your coffee would perk faster,  
waffle iron get going quicker and the  
electric heater make haste with the heat?

There is just one sure way to avoid "dippy" lights, octopus  
outlets, tanglefoot cords and slow motion appliances when  
you build and remodel your home. You must be strong  
minded and demand that complete and modern wiring is  
installed in every room of your house. Then you will always  
have a place to plug-in the new lamps and appliances you  
buy and electricity will come-a-running at full power. Why  
wish? Wire ahead for electrifying.

For ELECTRIC WIRING that is Certified  
as the best—see that you get a certi-  
ficate—signed and sealed that says  
your job is "Certified Adequate Wiring".

Suzanne Brochard is one of 55,000 parochial school children taking part in the current Bishops' Fund for Victims of War Appeal. In addition to the efforts of school children, a special collection will be taken during all Masses in Catholic Churches on Laetare Sunday, March 27, as Northern California Catholics seek to raise \$200,000, their share of the appeal's \$5,000,000 nationwide goal.
